FOR ADDRESS ONLY.

Slave Market, Marrakesh. Marrakesh (better known as Morocco city) is the centre of a considerable slave trade. The slaves are led round the market by the auctioneer, who cries out the latest bid as he goes. This continues until no further bids are forthcoming, and then the slave is sold to the last bidder. The buyers squat round the walls of the market criticising the slaves as they pass, and making bids for such as take their fancy.
